

## MAY 2022

*So let us come boldly to the throne of our gracious God. There we will receive his mercy, and we will find grace to help us when we need it most. (Hebrews 4:16 NLT)*

### General Prayer Requests

**Pastoral Search Team.** Right now is the time Spirit-filled wisdom and unity for the group is much in need. The team has begun to reach out to qualified individuals who match well the criteria the group has established as necessary to pastor our congregation. In addition, pray earnestly for God's protection for the eight people on the team: Jeff Lashley (Chair), Laura Hall, Doug Lambert, Rick Armstrong, Aaron Joiner, Nena McKinney, William Nfor and Jenn Zigler. Because of their current role, they will invite spiritual attack as individuals and as a group. Unfortunately, Joyce Merchant had to withdraw from the team due to health and family issues. Please remember to pray for our new pastor and his family as well!

**2022-2023 Ministry Planning.** Our church's new ministry and budget year begins on July 1. Currently, our Staff and Ministry Council members are working on next year's budget and putting together a ministry plan for their respective Ministry Teams. Pray the Lord gives them the wisdom and direction they need to keep our church moving forward joyfully and effectively in ministry especially in a major year of transition for our congregation.

**Summer Ministry Planning.** Our Summer Lunch Program resumes on Tuesdays and Thursdays in June and July from 11 am – 1 pm. This year's Vacation Bible School will be held Sunday, July 17 – Thursday, July 21 in the evenings. Please for the planning and preparation that will occur this month for both of those ministries. Also, pray for an outstanding volunteer team to be recruited for each one. Most importantly, pray that children and their families will be brought to Jesus by and through both ministries.

**Successful Completion of School Year.** Please pray our church's children as well as those in our community will finish this academic year strongly and successfully despite all the challenges created by the pandemic over the past school year.
