

SEPTEMBER 2022

“And we are confident that he hears us whenever we ask for anything that pleases him. And since we know he hears us when we make our requests, we also know that he will give us what we ask for.” (1 John 5:14-15 NLT)

General Prayer Requests

Pastoral Search Process. Good news! There has been excellent progress in recent weeks and one candidate is now under careful consideration by the Pastoral Search Team (PST). This month will be a critical time of decision making both for the team and the person under consideration. As a result, we need to pray all the more! Pray for endurance, grace, wisdom, and unity for the eight people on the PST: Jeff Lashley (Chair), Laura Hall, Doug Lambert, Rick Armstrong, Aaron Joiner, Nena McKinney, William Nfor and Jenn Zigler. It’s been a long journey for them and they continue to be targets for spiritual attack as individuals and as a group. Also, pray our congregation will remain strongly committed to the Lord’s work here at KRBC in this time of transition through faithful participation, giving, and involvement in ministry.

Worship Director Search Process. More good news! The Worship Director Search Team (WDST) is very close to offering the position to a candidate and a decision may well be made before the end of this month. Let’s pray faithfully that God’s will comes into fruition. The members of the WDST are grateful for your prayers: Bob Mulvaine, Donna Lambert, Jonathan Marsh, Stefanie Bayley, and Pastor Rick Breusch. Keep ‘em coming!

Fall Ministries Resume. Our Wednesday clubs ministry, Primetimers, Bible Study Fellowship, and other ministries that enjoy a hiatus during the summer months will resume this month. Pray that God will use all the ministries of KRBC to glorify God, bring spiritually lost people to faith in Jesus, and help followers of Jesus to grow and mature in their discipleship.

Ongoing Disciple-Making Efforts. Please keep our two key discipleship ministries - triads and re:generation – as well as our Sunday adult Bible classes before the Lord as they provide spiritual growth opportunities to members and friends of the church. Ask the Lord to encourage new people to discover the joy of following Jesus more intentionally.
